Schools Out For The Summer!!

Hard to believe another school year has come and went, I seriously don't know where the time has gone. From the first day of the school year to this last day there has not been one day that has played out the same as any other. This has certainly been a year of new beginnings for Kerry and I as well as many students.

We had 31 Native American students graduate this year. I am proud of each and every one of them for their accomplishment. I look forward to seeing and hearing about what all you do in the years to come. Best of Luck to you all !

For those students that chose the MI Adventure trip as their end of the year incentive here is important information. The trip is Wednesday, June 19th.. We will be leaving from the Tribal Gym at 8:00 am and will depart MI Adventure by 7:30 pm and should arrive back at the Tribal Center by 10:00pm. Students will need to eat breakfast before being dropped off. Lunch and dinner will be provided. You might want to bring additional money for snacks, drinks, or souvenirs in the park. Make sure you bring your bathing suit, towel and a bag to put it all in.

PARENTS

Below is a survey we would like parents to complete about the K-12 Education Program. It is very brief and will only take a few minutes. We appreciate your time and support.
